FUNERALS REIMAGINED

"I want a party,  
not a funeral!"

From end-of-life planning,  
cremation and  
burial arrangements,  
to off-the-hook memorial events,  
we're transforming how we  
celebrate a life.

Elegant or more edgy,  
the choice is yours!  
Along with our preferred  
hospitality partners,  
the Sendoff team has the creativity,  
connections and resources to guide you  
through the entire process -- whatever  
kind of memorial is desired,  
we'll pull it off.

We're here to help! \_\_\_\_\_
